Saints Orson Scott Card

"Saints" is an interesting novel by sci-fi author Orson Scott Card. But this book isn't sci-fi at all, it is pure historical fiction. The book is set in the Nauvoo era of LDS Church history. We meet (fictional) Dinah Kirkham in industrial England, where a series of tragic events leads her to Mormonism and emigration to Nauvoo. There, she encounters figures from Church history, and becomes involved with the religious developments of that time. Namely, polygamy.
