A unique School Law book focused on what teachers need to know and designed so that they can easily find answers to critical questions. This book clarifies legal issues that confront classroom teachers every day and is illustrated with actual cases.

School Law: What Every Educator Should Know, A User ...

School Law is a textbook you just might want to save from the buy-back pile at the end of the semester, especially for future teachers. Ignorantia juris non excusat. There is no reason not to know your rights as an educator when the law is presented in an understandable, straight forward manner, as this slim handbook does with its easy-to-digest Q&A format. I once seriously considered pre-law, so I was kind of tickled when all the law lingo/court case rulings/nit-picky exceptions in the examples

School Law What Every Educator Should Know, a User ...

Education law is the portion of the law in a state, country, city, or any area that specifically deals with governing educational bodies such as public and private schools and universities. Various education laws cover every aspect of education and the school systems.

What Is Education Law?

Discipline - Search and Seizure If you go to a conference with administration and a parent, would the parent be allowed to see your personal notes about their child? Can a student be required to say The Pledge Allegiance? Freedom of Expression Lockers have a low level of privacy

School Law: What Every Teacher Should Know! by Jennifer ...

Education law is particularly fascinating because it constantly seeks to strike balances: the balance between ensuring each child receives a standard education, while maintaining a parent's right to decide what her child should learn; the balance between maintaining student safety, while respecting individual constitutional rights; the balance between accommodating students with disabilities ...
