Get this from a library! Successful business plans for architects. [Ronald A McKenzie; Bruce Schoumacher]

### Successful business plans for architects (Book, 1992 ...

The traditional business model of architects is a service-based model. The Architect gets a fee for his service that he or she provides to the client. I see many architects who get frustrated because the client is changing the design, not valuing the architects work or exhibits bad payment behavior. Furthermore, the process of acquiring projects is very competitive and is sometimes done by ...

### Architecture Firm Business Plan Sample - Financial Plan

Here are seven ways to make marketing for architects successful on a small-business budget. 1. Don't Underestimate Social Media for Architect Marketing. Social media is a strategy that most architects have been slow in adopting, even though it can net real clients. "Social media isn't a fad," said architect Jody Brown in his conversation with the AIA. "It is the place where the ...

### Marketing for Architects: 7 Ways to Elevate Your Small Firm

Okay, so architects don't actually read design magazines, we peruse them, so just read the technical publications. I am a firm believer that the more technical one is, the better

a designer one is. And read other magazines too. I enjoy Forbes (noticing that there are never billionaire architects); Fast Company (many business parallels), and National Geographic (to see what I miss in life ...
