### **Innovation Produits & Services - Sustainable Marketing**

What is sustainable marketing? To me, sustainable marketing is a plan that has sustainability within both the practice and the product. It's more than just a buzzword. It's a fundamental shift in consumer communication styles that lead with heart and stories rather than discounts and offers. It's the ability to take a step back and worry less about short-term profits and focus on long-term consumer value.

### **What Is Sustainable Marketing And Why Is It So Important ...**

Sustainability marketing is when the sustainable aspect of your business, product or service is used as a marketing message. For example, the promotion of H&M's Conscious collection is a sustainability marketing campaign; it's a sustainable (ish) product, and it's being marketed.
