Swahili is actually much easier to learn than people might expect. You could even say that it's the easiest African language for an English speaker to learn. Swahili is a phonetic language, meaning words are pronounced just like they're spelled. This means you don't have to worry about any hidden sounds or seemingly random drops in sounds for the most part. The grammar and sentence structure of Swahili also tends to be simpler since it doesn't use as many tenses as other languages like ...
