Traductions en contexte de "TABLE SAW" en anglais-français avec Reverso Context : Go Directly to Steps Selecting the right table saw for your needs.

TABLE SAW - Traduction en français - exemples anglais ...

In reality, a table saw is a circular saw that has been mounted on a table with the saw blade extending up from the surface of the table. This saw blade remains in a stationary position while the different materials being cut are fed through underneath the blade. You can adjust the depth of the cut by adjusting the height of the saw blade.
