# Taking Your Tennis On Tour The Business Science

## [Taking Your Tennis On Tour](#)

### **Taking Your Tennis On Tour**

Thousands of players try to make it on the men's tennis pro circuit every year — yet the majority of them do not know how to turn their pro tennis dream into a sound business venture. The player is thrust into the position of being his own coach, travel agent, financier, sports agent, lawyer, and accountant. Amidst all that, he must find the time to stay in shape and practice to win tennis matches. Chapter by chapter, this book guides players, coaches, and parents through the nuts and ...

Despite a few complaints, Taking Your Tennis On Tour is the first publication I have seen which offers advice on the physical and mental aspects of playing as a professional on the tour. The book offers insight into the world of pro tennis to a newcomer, including specific training instructions, nutritional information, sponsorship & sports agent advice, and even tax tips. The author dives into the harsh reality of going pro.

University of North Texas Head Women's Tennis Coach, Sujay Lama, offers a few great tips on how to take your game to the next level. 1. Mindset - have the right mind set, be willing and ready to give 100% effort. Set short term goals and long term goals, be consistent and stick to your commitments and efforts. 2. Technical Tune-up - avoid bad habits and doing the same practice routine over and over again. Have a pro or a coach assess your game and strokes. Sometimes it requires only ...

"He plays a style of tennis for me that's difficult to deal with on the power front... On any given day he could beat you with what you would consider his 'B' plan and he's got the ability to play tennis at an aggressive level that sometimes feels like he's taking the game out of your hands. That's not nice when you're trying to make a game plan and someone's able to take the ...
