Sri Lanka was once ruled by a very harsh king named Kalantissa. It is said that King Kalantissa unjustly suspected a high priest of treason and had him murdered in a cauldron of boiling oil, throwing the body in to the sea. This wicked deed angered the sea gods and they cast powerful spells that caused the ocean to rush in and flood the land. The people grew restless and scared, pleading to the king for help. He turned to the astrologers for help however to his dismay all they declared was ...

### **Village Folk-tales of Ceylon (Sri Lanka), vol. 1-3**

Sri Lanka has a recorded history of over 2,000 years, but archeological excavations suggest the island was inhabited by hunter gatherer humans over 75,000 years ago. Stone tools found throughout the country from this period, as well as iron tools found dating back to about the 9 th century BC indicate that the early people experimented with food production and irrigation. The earliest human settlers on the island are believed to have been absorbed by the Indo-Aryans who arrived from northern ...
