[PDF] The Web And Parents Full Download-BOOK

Teachers Discovering Computers: Integrating Technology in a Connected World this textbook is terrific. I really enjoyed reading it and then going online to the recommended links and tutorials. I was very edgy enrolling in this course as I am an older student and not very "techosavvy". The book offers so many resources and also explained how to do several online assignments very clearly which made the course easier for me . I really like this book!
