

# INDIVIDUAL TAX PREPARATION AND COMPLIANCE

Our team of tax preparers will help you pay the lowest amount of tax allowed by law. They will quickly and accurately complete your return and discuss the results with you before you leave the office if you desire.

Our income tax return preparers have an average of over 25 years of experience preparing income tax returns. Our preparers are all Certified Public Accountants or IRS Enrolled Agents, who are all employees of our company.

We guarantee our work. If an error occurs on your return costing you penalties or interest, we pay the penalty or interest not you.

We keep electronic copies of all of the data you provide to support your return. We can often answer IRS notices for you using the information we have on file. We also provide our clients access to all of your tax records electronically through our secure file transfer systems.
