The American Tradition in Literature, Volume 1: Amazon.it ...

American literature is literature predominantly written or produced in English in the United States of America and its preceding colonies. Before the founding of the United States, the British colonies on the eastern coast of the present-day United States were heavily influenced by English literature. The American literary tradition thus began as part of the broader tradition of English literature.

American literature - Wikipedia

By the first decades of the 19th century, a truly American literature began to emerge. Though still derived from British literary tradition, the short stories and novels published from 1800 through the 1820s began to depict American society and explore the American landscape in an unprecedented manner.

Periods of American Literature | Britannica

Widely known as the anthology that best unites tradition with innovation, The American Tradition in Literature is proud to enter its fifth decade of leadership among textbook anthologies of American literature. Each volume continues to offer a flexible organization, with literary merit as the guiding principle of selection.

The American Tradition in Literature, Volume 1 by George B ...

This has long been used as a standard American Literature I and II textbook in many U.S. colleges, and the two-volume 1967 edition was the text used when I took those courses in 1971-1972. For a long time, I didn't list it here on my shelves, and didn't consider reviewing it. That's partly because it wasn't as formative an intellectual influence on me as my high-school British literature textbook,
