### **The Art Of Client Service**

The Art of Client Service can help. Now in its third, thoroughly revised edition, this classic guide does what no other book even attempts: define, delineate, and describe in detail what a client service person does in order to produce stellar work and forge deeper, more enduring relationships with their clients. It preserves everything that worked in the previous two editions, but adds new material designed to help clients service people excel, and helps clients better understand what to ...
