The City In City Berlin

In the manifesto *The City in the City - Berlin: A Green Archipelago*, Oswald Mathias Ungers and a number of his colleagues from Cornell University presented the first concepts and intellectual models for the shrinking city. In contrast to the reconstruction of the European city that was popular at the time, they developed the figure of a polycentric urban landscape. However, the manifesto really began to exert an effect beginning in the 1990s onwards, when the focus of the urban planning ...
