The Cleveland Clinic Intensive Review

The Cleveland Clinic's Intensive Review of Internal Medicine is about the best such effort on the market in this price range. Unlike other inexpensive board review books, which license the name of a famous medical center but are actually written by one guy, this tome actually is a collective effort of many of the most renowned experts in their fields at the Cleveland Clinic. Each chapter / organ system is written by members of the appropriate department, which is as it should be. I plan to ...

Cleveland Clinic Intensive Review for the GI Boards

Having just taken the exam, then flipping through the Cleveland Clinic book (to see if it would have helped me at all), I have to say it would have been a waste of my time to go through the book. Laughing Your Way reviews/covers more material than Cleveland clinic, and the info in the Cleveland Clinic review book did not seem relevant! So much for the 'intensive review'. Anyways, hope this helps.
