Amazon.fr - The Creative City: A Toolkit for Urban ...

It reads like some sort of inspirational book rather than the practical "toolkit" it purports to be. The best part of the book is that it is full of cool profiles of city branding and social initiatives from around the world. There are also some nice quotes to pull on the value of culture and the creative industries to local economies. It was ...

The Creative City : Charles Landry : 9781844075980

The creative city is a concept developed by Australian David Yencken in 1988 and has since become a global movement reflecting a new planning paradigm for cities. It was first described in his article "The Creative City", published in the literary journal

Meanjin.

Creative city - Wikipedia

It shows how to think, plan and act creatively in addressing urban issues, and how to apply the methods described in any city. The book proposes a new form of imaginative strategic urban planning.
