Skulduggery Pleasant 09. The Dying of the Light: Amazon.de ...

The Dying of the Light was a more than satisfactory ending to a series that I've personally grown to love more than any other series. Valkyrie and Skulduggery grew so much as partners and as friends and this book truly emphasized their relationship, and how far Skulduggery would go to save Val. The jokes were hilarious as always. ('I want to be a puppet') This book is packed with action as well as important details that truly tie up every loose end.
