### **The Enormous Egg**

A piece on NPR on guilty reading pleasures led me to re-read The Enormous Egg. As with so many things aimed at children, much of Butterworth's commentary is way over their little heads. On the surface, this is a simple, very funny story about a farm family in Freedom, New Hampshire. One of their hens lays an enormous, funny looking egg. Nate is determined to do whatever it takes to hatch the egg. Since it is too big for the bemused hen to turn, he goes out to the barn every three hours to ...

### **The Enormous Egg by Oliver Butterworth - Goodreads**

'The Enormous Egg' was originally a children's novel by Oliver Butterworth, who wrote a few books for young readers during breaks from his career in New England as a full-time professor of English and Latin. 'The Enormous Egg' was his most popular book; he wrote a sequel called 'The Narrow Passage' (note the contrasting titles) which featured the same boy protagonist ... but without the dinosaur who features so prominently in 'The Enormous Egg'.

### **The Enormous Egg - Plugged In**

The simplicity, bluntness, and accessibility of Nate's speech may turn out to be a template for student election speeches for a generation of elementary school students in your district. What makes The Enormous Egga perfect book for One School, One Bookis that students and parents alike will dive into the details, eager to investigate.

### **The Enormous Egg - Read to Them**

Nate has quite an enormous story to tell: that of the unbelievable egg laid by one of the family hens. Along with his parents and sister, he takes care of the egg, determined to see it hatch, but not even Nate is prepared for the creature that comes out of it when it finally does. Could it really be...a dinosaur? <p>When a visiting paleontologist confirms that it is, the crowds start coming to little Freedom, New Hampshire. Suddenly, reporters from all around the country, famous scientists ...

What in the world came out of that enormous egg? It weighs 13,900 pounds. It measures 20 feet-- and it's not even full grown! No wonder Nate Twitchell's pet rocks, his home town in New Hampshire and astounds the nation. "That creature is a Federal offense--Un-American," cried Senator Granderson. "It's eating the U. S. Government out of house and home!" When Nate hears the fate that is planned for his pet, he is desperate. How can he save it? How can he hide something that weighs more than ...
