Cultural Compensation The Examined Life strikes me as a re-incarnation of Scott Peck's The Road Less Travelled which was published 40 years ago - before Ronald Reagan and Margaret Thatcher decreed the non-existence of society. Both books are written with the same structure of patient case studies. They contain the same histories of development of the writers into therapeutic maturity; the same essential message of human psychic complexity and mystery; and even some almost ...

We are all storytellers—we create stories to make sense of our lives. A moving collection of short, personal encounters between a psychoanalyst and his patients, The Examined Life reveals how the art of insight can illuminate the most complicated, confounding, and human of experiences. Ultimately, these stories show us not only how we love ourselves but how we might find ourselves.

The Examined Life distills over 50,000 hours of conversation into pure psychological insight, without the jargon. This extraordinary book is about one ordinary process: talking, listening and understanding. Its aphoristic and elegant stories teach us a new kind of attentiveness. They also unveil a delicate self-portrait of the analyst at work, and show how lessons learned in the consulting room can reveal as much to him as to the patient.

The success of The Examined Life by the psychoanalyst Stephen Grosz has, I think, relatively little to do with his clinical know-how; it rests, as Freud's did, on his storytelling abilities -- Rachel Cooke, Observer Grosz is a superb storyteller and tells lots of

his patients' stories with sensitivity, but also with great acuity.
