The Extraordinary Life And Work

A lovely book which tells the story of Angus MacPhee and the wonderful creations he made out of grass. But this is also a book about life in Uist, the effect of war on rural communities and mental health care practices in Scotland in the mid to late 20th century.

Morath's immense body of work has life at its centre. The photographer travelled around the world with her camera – she made the people and places of Spain, London, Paris, New York, Iran, China, the USSR, Italy, Tehran and others her subject over the course of many years. Her work is marked by a distinct sense of empathy; having learned many different languages and immersed herself in ...
