### **Kanji Radicals: The Cornerstone of Kanji Mastery**

The key to writing your name in Japanese is not to write it the same way as in English, but how it's pronounced in Japanese. Japanese words are composed of vowels, or a consonant followed by a vowel — for example, ie (no) or mizu (water). If your name has

a consonant followed by a vowel, it will be straightforward to write. For example Monica. There are three Japanese syllables: MO-NI-KA ...

### **How to write your name in Kanji - Gohitsu Shodo Studio**

Since most kanji components are themselves kanji that can be broken down further, it would theoretically be possible to describe a complex kanji as a collection of many components. However, we don't think this is helpful. When deciding which components to highlight, we use the largest components that themselves have a meaning. As an example, consider 道 (another kanji meaning road). The top ...
