The Peculiar Life of a Lonely Postman tells the story of Bilodo, a quiet and otherwise unremarkable postman living a rather solitary existence in Montreal. But Bilodo harbors a rather naughty secret - he steals mail that he is supposed to deliver, steams open the envelopes and reads the letters inside. It is in this way that he is introduced to Ségolène, a Guadeloupean woman corresponding with a man on his postal route, Grandpré.

The Peculiar Life of a Lonely Postman is a surprise of a book. What starts out as a quirky, playful tale becomes a deeper meditation on what it means to be human, with a striking ending that leads you right back to the beginning of the book again. Shy Montreal postal worker Bilodo is somewhat of a recluse. He lives along with Bill, his goldfish, has a small circle of friends and prides himself on how well he does his job.
