The Six Bullerby Children

The village consists of three lined up houses in which live seven children with their parents and housekeepers: Lisa with her older brothers Lasse and Bosse, the siblings Britta and Anna, as well as Olle with his younger sister Kerstin.

The Six Bullerby Children - Wikipedia

The Six Bullerby Children is one of the most famous works of the Swedish author, Astrid Lindgren, so famous in fact that it was given a whole new name and adapted to an American milieu also. Its American name was The Children of Noisy Village. The European setting was kept intact, but the story was adapted to suit western children a tad bit better. Today the stories are two decades old and they do seem a bit archaic, but they have lost none of their appeal. They still have the simple flow ...

The Six Bullerby Children : Astrid Lindgren : 9780749706616

Delightful introduction to the six children who live in close proximity in Bullerby. Set in Sweden sometime in the early 1900s, this short book describes the day-to-day "adventures" of the three farming families as told by 7 year old Lisa. Fun read for an adult, too. Note: some of the stories here are expanded and retold in the second book of the series.

Similar books like The Six Bullerby Children

A book full of joy to be a child. Delightful simple stories about six children in a Swedish village. Any girl will love the stories, it might be more difficult to convince a boy to read them, but I recommend them for all genders and ages. Written by the world-famous author Astrid Lindgren known in this country for her "Pippy Longstocking" trilogy.
